<b>Name</b>	Saint Mary's University Geography Department
<b>Web</b>	<a href="http://www.smu.ca/academics/geography.html">http://www.smu.ca/academics/geography.html</a>
<b>Description</b>	St. Mary's geographers study how nature and culture work to create distinct spaces, places, landscapes, and regions. The subject is of practical importance in such fields as urban and regional planning, industrial location, marketing, resource development, environmental monitoring and management, and geomatics. A number of research projects have focused on climate adaptation in Atlantic Canada.
<b>Types</b>	- Academic
<b>Contacts</b>	Danika van Proosdij
