| Name | Nova Scotia Community College (NSCC) - Applied Geomatics Research Group |
| Web | http://agrg.cogs.nsc.ca/ |
| Description | The Applied Geomatics Research Group is a team of Research Scientists, Research Associates, and graduate students, applying a suite of Geomatics technologies to explore environmental, health and social issues. As part of Nova Scotia Community College's Centre of Geographic Sciences in Middleton, Nova Scotia, we also are acknowledged leaders in educating new researchers in an exciting, growing field. |
